End of Sales Statement

Date: 2012-01-18

Products: GB-3000

Overview

Global Technology Associates, Inc. is announcing end of sale for the GB-3000 firewall appliances. Sales of this firewall appliance will be discontinued as of 19 January 2012. This product will continue to be supported up to End of Life, 28 February 2014.

Support

GTA will provide technical support for the products until the EOL date of 28 February 2014. The final release of GB-OS for the products has not been determined at this time. Future GB-OS releases may or may not support the products. GTA will not accept orders for support/annual maintenance with a term that extends past the EOL date of 28 February 2014.

Current Users of EOS Products

GTA will provide technical support for those firewalls covered under valid support/annual maintenance agreements until the EOL date of 28 February 2014. The last day to purchase a support/annual maintenance agreement for the products is 28 February 2013 and will be limited to a one year period.

Out of Warranty Hardware Repair

GTA will perform hardware repair on the products based on the availability of repair parts. GTA makes no representation or guarantee that the products will be repairable.

Subscriptions

Subscriptions for the products will be available for order through 28 February 2013. Depending on GB-OS releases and software functionality some subscriptions may not be available for the entire period from EOS to EOL for the products. GTA will not accept orders for subscriptions with a term that extends past the EOL date of 28 February 2014.
